

Stainborough Rotary needs your help. It's a win/win An easy way to raise funds for 'End Polio Now'

Stainborough Rotary have designed and printed packs of Notelets (6 in each pack) to raise funds for Polio.

The luxury notelets have 3 different designs of the Purple Crocus (2 cards of each design in each pack)
The size is A6 14 x 10 cm.

They have the design on the front, a description of how RI raises funds to eradicate polio on the back and they are blank on the inside. We are selling the packs for £5.00 each

They can be sold all year round and can be used for 'Thank you' 'Get well' 'Easter' 'Birthday' 'Mothers day' 'gifts' or just 'Thinking of you' notes.

Club support – This is where you come in

We are requesting that clubs pay Stainborough Rotary £3.00 a pack and you sell them for £5.00

- If each club buy 50 packs for £150 and sell them for £5 each they will make £100 profit for Polio
- Of course clubs can buy any amount of packs as they so wish.
- They can be sold via friends and families, charters, annual dinners, table top sales, Craft fairs, coffee mornings, Venues – council buildings, etc.

District Support

We are requesting that AGs across 1040 help distribute the packs to the different clubs to cut down on costs and to ensure that all of the profits raised actually goes to End Polio Now.

Conclusion

Stainborough Rotary is initially printing 6000 cards to make up 1000 packs, with the intention of reprinting another 6000 if the project is successful. The potential funds raised in total could be £4500 for each 1000 packs sold.

To keep the printing costs down Stainborough Rotary is initially folding and packing each of the packs themselves, if it proves a success we will ask clubs to collate and pack their own.

There isn't a time limit to sell all cards as they can be used over the next few Rotary years. This project will benefit all clubs in 1040 and of course this will hopefully benefit the 'End Polio Now' charity.
